-------------	----------------	-------	----------	-------	---------

Weather Key Points

Regional Operations Center

Western Region

Sunday, November 13

- Locally breezy winds gusting up to 45 mph are expected over much of southern California on Sunday
- A Santa Ana wind event with wind gusts of 45-60 mph is expected Tuesday through Thursday (strongest Wednesday) in southern California, with locally elevated fire weather conditions
 - Locally gusty winds are expected north into portions of the Central Valley and the southern Sierras.
- Below normal temperatures will persist over much of the state through the week, with overnight low temperatures dipping into the 30s across the Central Valley and even for areas closer to the coast at times. Readings over the higher elevations will reach the single digits. Areas of frost are possible overnight into early morning hours through the week for most locations.

Weather Outlook (6-14 Days)

Regional Operations Center

Western Region

Sunday, November 13

6-10 Day Outlook (November 18 - 22)

Temperatures

- Below normal temperatures are favored to persist across the state

Precipitation

- Near normal precipitation is favored across the majority of the state

8-14 Day Outlook (November 20 - 26)

Temperatures

- Near normal temperatures are favored for Central California, with above normal temperatures favored across northern California and below normal temperatures favored across southern California

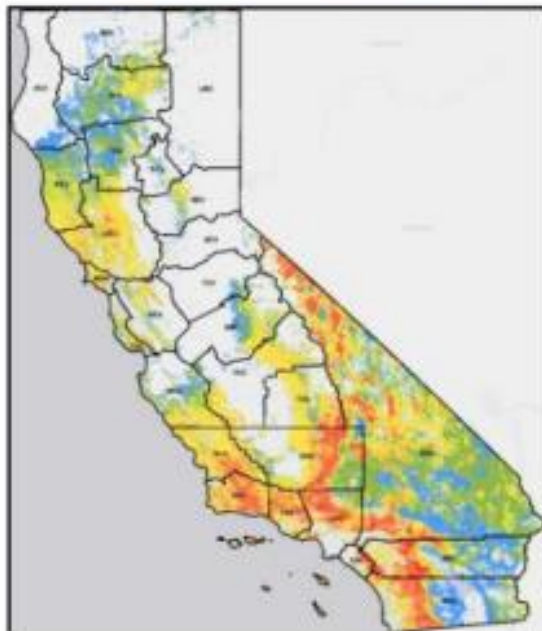

Precipitation

- Above normal precipitation is favored for northern and central California and near normal precipitation is favored across southern California

SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Level 1	Normal Operations	Normal Operations	Normal Operations

2022 May Monkeypox Virus

On 08/01/22, the Governor proclaimed a State of Emergency to support the State's response to Monkeypox. A copy of the proclamation can be found [here](#).

The California Department of Public Health (CDPH) activated the Medical and Health Coordination Center (MHCC) at Level 3 (low) in response to the 2022 May Monkeypox Virus event on 05/24/22; and increased the activation to Level 2 on 07/18/22.

- Hours of Operation: Monday to Friday, 0800 hours to 1700 hours until further notice.

COVID-19 SUMMARY

Coronavirus Disease 2019 (COVID-19)

On 03/02/20 at 0700 hours, the Cal OES State Operations Center (SOC) activated at Level 1 in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

SMARTER Plan

On 10/17/22, Governor Newsom unveiled the "[California Smarter Plan Updates October 2022](#)". The plan emphasizes continued readiness, awareness and flexibility and helps ensure California can maintain its focus on communities that continue to be disproportionately impacted and stay prepared to swiftly and effectively respond to emerging COVID-19 variants and changing conditions. Governor Newsom is set to lift the State of Emergency in early 2023, and this update provides information on California's progress to date and how we move forward.

CDPH Statewide Travel Advisory

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Enforcement Missions

- **2022-LAW-83714 on 11/13/22 at 0730 hours**, Focus Point International advised of a SPOT device activation at the listed coordinates; Latitude: 32.92704/ Longitude: -116.19452. This location returns to the Arroyo Tapiado Road in San Diego County. The response from the device was “need Help” with no other communications. The Sheriff’s Office was notified of the activation and evaluating their response. **Mission on going**
- **2022-LAW-83694 on 11/12/22 at 1715 hours**, AFRCC advised of a PLB activation at the listed location; Latitude: / Longitude: 34.371767 / - 117.750090. This location returned to Los Angeles County near Highway 2 at Vincent Gap. The RO did not text what the emergency was, it was a SOS activation only. Los Angeles County SAR was notified of the activation. The emergency contact for the RO said his nephew had fallen down a ravine and activated the device, but he was uninjured and was able to self-rescue. AFRCC called and advised the device was turned off and they were unable to detect the device. Los Angeles County was notified, and the mission was closed. **Mission Closed**
- **2022-LAW-83642, 11/08/22 at 1540 Hours-** LDO was contacted by Santa Barbara Sheriff’s Office with a request for SAR support dive teams and boats for a planned search for a missing diver off of Santa Cruz Island on 11/11/22 time TBD. Santa Barbara SO requested San Luis Obispo Sheriff and Los Angeles County Sheriff to support the request. **Mission on going.**

Cal OES MISSION TASKINGS
